Without affecting the discretion of the Superintendent of Insurance to refuse a licence to an applicant for a real-estate agent's licence on the ground that the applicant is not a suitable person to be licensed within the meaning of the "Real-estate Agents' Licensing Act," every person shall be required to satisfy the Superintendent that he possesses the following qualifications and experience as a condition precedent to the issuing to him of a real-estate agent's licence:—

(a) That he has been previously engaged in the business of selling or managing real estate within the Dominion of Canada, or Great Britain, or any Dominion of the British Empire, or any colony or dependency thereof, or the United States of America, for his own account for a continuous period of not less than two years within a period of five years prior to the date of application, during which time he was licensed or qualified; or

(b) That he has been employed by a licensed real-estate agent in British Columbia in the selling or management of real estate for a continuous period of at least two years within a period of five years prior to the date of application, during which time he was properly licensed; or

(c) That he has been employed by a real-estate agent without the Province of British Columbia but within the Dominion of Canada, or Great Britain, or any Dominion of the British Empire, or any colony or dependency thereof, or the United States of America, in the business of selling or management of real estate for a continuous period of at least two years, and within the Province of British Columbia for a period of not less than one year, such last-mentioned period to be within the period of

five years prior to the date of application, during which time he was licensed or qualified.

1A. No person shall be licensed as a real-estate agent who has not the qualifications aforesaid, unless he obtains the consent of the Superintendent and the Board.

4A. No person shall be licensed as a real-estate salesman who cannot qualify under section 4 hereof, unless he obtains the consent of the Superintendent and the Board.

5. The Superintendent may require such other proof as he may deem advisable concerning the honesty, truthfulness, and reputation of any applicant for a real-estate licence, or of the officers of any corporate applicant, before authorizing the issuance of a licence, and the Superintendent shall refer every such application to the Board for further investigation in addition to the investigation provided for in Part V hereof.

6. All applications for reissuance of licences shall be in the hands of the Superintendent by midnight of May 31st.

7. If a person fails to apply for a reissuance of his licence prior to midnight of May 31st of the year for which the licence is to be issued, no reissuance of licence shall be granted to him, except upon payment of the penalty provided by the Statute.

11. At the time of filing an application for an agent's or salesman's first licence, or a reissuance thereof, the applicant shall forward with his application a signed acknowledgment in accordance with Form 4 of Schedule A to these regulations.

12. No exception shall be made to the qualification requirements set forth in section 2, except by the concurrence of the Superintendent of Insurance and the Board.

13. Any limited company to which a real-estate agent's licence has been issued shall have, as its main business, the conduct of real estate, or real estate and insurance.

20. On the execution of any agreement in respect to a real-estate transaction, the agent shall fully inform all parties regarding commissions and other expenses to which each is respectively liable.

#### *Part IV.—Public Convenience and Necessity*

21. In considering applications for licences, the Superintendent and the Board may take into consideration matters of public convenience and necessity in order to determine the case of any application or applications.

One member shall be appointed from Eastern British Columbia, being east of Okanagan Valley. These, in the first instance, shall serve for a term of one year.

One member shall be appointed from the agents carrying on business south of the Fraser River, from the Gulf of Georgia to Hope, and, in the first instance, shall serve for a term of two years.

All members may be reappointed, but no member shall serve in the aggregate more than six years.

24. In the event of any vacancy occurring by reason of death, resignation, or otherwise, the remaining members shall have power, notwithstanding the vacancy, to carry on the functions of the Board.

25. Any vacancy occurring in the membership shall be filled by the Lieutenant-Governor in Council on the recommendation of the Board. The person appointed to fill such vacancy shall hold the same representative character as his predecessor.

26. In the event of any member of the Board being unable to attend personally any meeting, he may, by writing under his hand directed and delivered to the secretary of the Board, nominate a person who shall be qualified to serve as a member of the Board, as set out in section 23 above, to act in his place at such meeting, and the person so nominated shall have, for the purpose of such meeting, the same duties and powers as the person by whom he is nominated.

27. The quorum for a meeting of the Board shall be four members present either in person or by a person nominated pursuant to these regulations, or, in the event of any vacancy, three members present either in person or by a person nominated pursuant to these regulations. No decision of the Board shall be valid unless a quorum is present.

28. The Board shall appoint a secretary, who shall hold office during the pleasure of the Board. The secretary shall keep minutes of all proceedings of the Board in the minute-book, and shall conduct all correspondence of the Board, and may make preliminary investigations and secure information in respect to matters to be determined by the Board, and shall have such other duties as the Board may from time to time prescribe, and the secretary shall be paid such remuneration and expenses as shall be authorized by the Board.

29. Questions arising at any meeting shall be decided by a majority of votes. In case of an equality of votes, the chairman shall have a second or casting vote.

30. The Board shall hold a meeting at least once in each month. The secretary shall, at the request of the chairman or of any two members of the Board, summon a meeting of the Board.

31. Reasonable notice of any meeting shall be given to the members of the Board, in writing.

32. The Board shall be liable for all necessary expenses incurred by it, including the remuneration of the secretary.

33. No member of the Board shall be liable, as a result of any act or decision of the Board, whether done or made by the Board in pursuance of these regulations.

34. The functions and duties of the Board shall be to assist the Superintendent in the determination of the requirements, qualifications, and suitability of applicants for licences as agents or salesmen, including the determination of matters arising in respect to the issuance, suspension, and cancellation of such licences. The Board shall further assist the Superintendent in ensuring the enforcement of the Act and regulations, and, without restricting the generality of the foregoing, shall have the power to investigate and prosecute any infraction of the Act or of these regulations.

35. Upon receipt of an application for an agent's licence or for a salesman's licence from any person, the Superintendent shall notify the secretary of the Board of such application, and the Board shall make such investigation (including requiring the applicant to write the regular examination set by the Board) as it may think proper, and shall also hold a hearing if the Board thinks a hearing desirable or if a hearing is requested by the applicant. The Board shall report in writing its finding to the Superintendent, together with such recommendation as the Board may think proper and the reasons therefor.

36. The Superintendent shall refer to the Board any application for an agent's licence or a salesman's licence which may have been suspended or cancelled.

37. The Board shall prepare and administer such written examination of applicants for agent's or salesman's licence as the Board may deem necessary.

38. No temporary licence shall be issued by the Superintendent without the prior approval of the Board first had and obtained.

39. The Superintendent may, if he sees fit so to do, and shall, if requested so to do by the Board, refer to the Board for investigation any act or matter on account of which a licence may be suspended or cancelled under the Act, or any act or matter involving an alleged infraction of the Act. The Board shall thereupon make such investigation as it thinks proper, and shall also hold a hearing if the Board deems a hearing desirable or if a hearing is requested by the licensee or person whose conduct is the subject of investigation. The Board shall report in writing its finding to the Superintendent, together with such recommendation as the Board may think fit.

40. The Board shall have the like powers as the Supreme Court of British Columbia for compelling the attendance of witnesses at a hearing and of examining them upon oath and compelling the production and inspection of books, documents, and things, and may in its discretion accept and act on evidence by statutory declaration, and may adjourn the hearing from time to time, and any member of the Board or the secretary may administer oaths to witnesses.

41. The Board shall publish a balance-sheet in each calendar year.

42. Every person licensed as an agent or as a salesman shall, if required by the Superintendent so to do, furnish to the Superintendent a list of all persons to whom he has directly or indirectly paid or allowed any commission or other compensation or thing of value in connection with real-estate business in such form as the Superintendent may prescribe, and the Superintendent may require the statement to be verified by statutory declaration.
